FINANCE DEPARTMENT,

OTTAWA, 22nd November, 1893.

Hon. G. E. FOSTER,
Minister of Finance, Ottawa.

SIR,—I have the honour to submit the Public Accounts of the Dominion of Canada for the fiscal year ended 30th June, 1893, together with the usual comparative statistical tables.

It will be seen in this report that the receipts from Consolidated Fund exceed the expenditure to the extent of \$1,354,555.95.

The expenditure on Capital Account for the year was as follows:—

Railways and Canals :

Canadian Pacific Railway.....	\$ 413,836 49
Intercolonial Railway.....	228,984 79
Digby and Annapolis Railway.....	2,190 62
Cape Breton Railway.....	59,982 74

Murray do.....	30,838 79
St. Lawrence River and Canals.....	987,709 05

	<hr/>
	181,877 63

<i>Dominion Lands.....</i>	<hr/>	115,038 39
----------------------------	-------	------------

\$3,079,406 76

The sum of \$40,000 was received from the City of St. John for the Carleton Branch Railway, and that work having been handed over the balance \$48,410.48 was transferred to the debit of Consolidated Fund and the Carleton Branch Railway account no longer remains in the balance sheet.

Following the suggestion contained in my last year report the expenditure on the Canadian Pacific Railway has been removed from "Public Works" and in the balance sheet now appears under a heading of its own. For the present at all events it is thought better to keep this account separate rather than to transfer it to Consolidated Fund.

The subsidies paid to railways amount to \$811,394.07, made up as follows:—

Atlantic and North-western Railway.	\$ 186,600 00
Drummond County do	13,435 00
Irondale, Bancroft and Ottawa do	17,000 00
Kingston, Napanee and Western Railway.....	1,856 00
Montreal and Western do	133,388 00
Montreal and Champlain Junction do	15,100 00
New Glasgow Iron, Coal and Railway Co.....	32,945 84
Ottawa and Gatineau Valley Railway.....	104,380 00
Parry Sound Colonization do	28,820 00
Port Arthur, Duluth and Western Railway.....	114,125 00
Quebec and Lake St. John do	76,471 79
St. Lawrence and Adirondack do	24,448 00
Temiscouata do	21,150 00
Tobique Valley do	41,674 46
	<hr/>
	\$811,394 07

The receipts from Dominion Lands were \$285,596.07.

The total amount of the sinking funds to the 30th June last was \$30,678,989.18; the sum invested during the year being \$2,095,513.89.

The year's cash deposits in the savings banks were \$11,155,838.15, to which has to be added the accrued interest, \$1,365,802.44, making in all \$12,521,640.59. The sums withdrawn were \$10,201,532.12 showing that the cash receipts exceeded the withdrawals by \$954,306.03, whilst in 1891-92 the cash withdrawals exceeded the deposits by \$1,190,058.58. The amount standing at the credit of depositors on the 30th June was \$41,849,656.10, an increase over the previous year of \$2,320,108.47.

The sum of the debt redeemed was \$2,237,978.53. This redemption and the heavy expenditure for public works and railway subsidies absorbed the receipts from the savings banks and other sources and necessitated a temporary loan of \$1,460,000, in addition to issues of stock to the extent of \$2,904,438.43, of which over \$2,800,000 was taken up by English investors.

The Dominion notes in circulation at the end of the year reached \$18,448,493.80, and on the 31st October was \$19,844,248.05, being close to the limit of \$20,000,000 established by the Act. It will be desirable to introduce legislation at the next session of parliament to allow of an increase of the limit when necessary.

The net debt of the Dominion at the close of the fiscal year was \$241,681,039.61, an increase of \$549,605.17 over 1891-92, accounted for thus:—

Expenditure on Public Works (capital).....	\$ 181,877 63
do Railway and Canals (capital).....	2,782,490 74
do Dominion Lands do	115,038 39
do Railway subsidies.....	811,394 07
Charges of management on Loans.....	139,951 16
Expenses in connection with the North-west Rebellion.....	8,910 84
Consolidated Fund transfer	12 18
	<hr/>
	\$4,039,675 01
Less—Sinking Fund Investment.....	\$2,095,513 89
Surplus.....	1,354,555 95
Cash received from the City of St. John for the Carleton Branch Railway.....	40,000 00
	<hr/>
	3,490,069 84
	<hr/>
	\$ 549,605 17

The rate of interest paid on the gross debt averaged for the year \$3.26 per cent, against \$3.30 for the previous year. The net rate of interest paid on the debt was \$2.88, against \$2.93 per cent last year.

During the year silver and copper coinage to the amount of \$215,000 was procured for the Dominion through the office of the High Commissioner for Canada. The profit on this amounted to \$67,924.40.

The arbitrators for the settlement of the differences in the accounts between the Dominion and the provinces of Ontario and Quebec have had several meetings, and a decision has been rendered on some points. It is to be hoped that all parties interested will during the present fiscal year press the matter to a conclusion.

The cost of the management of the department during the year was as follows:—

Minister's salary.....	\$ 7,000 00
Salaries of staff.....	49,770 00
Expenditure through charges of management.....	4,778 25
Contingencies.....	7,741 86
	<hr/>
	\$ 69,290 11

which, though somewhat in excess of 1891-2, compared with the expenditure of 1890-91, \$71,071.65, shows a decrease of \$1,781.54. It may also be noted that the expenditure on the staff of the department has steadily decreased from \$56,034.09 in 1883-84 to the amount above named, \$49,770.

I am happy to say that all the current work of the department is up, and to express my appreciation of the cordial assistance I have received from the officers of the department during the past year.

I have the honour to be, sir,

Your obedient servant,

J. M. COURTNEY,

Deputy Minister of Finance.
